

DG Oil Dispersant

Product to clear oil spills

Product description:

Concentrated product, water-based, biodegradable formulation based on solvents, emulsifying agents and surfactants and hydrocarbons used to disperse and clear accidental oil spills on deck and in the sea. Product can be used also as a tank cleaner. Dispers mineral oils, crude oil, fuel oil, lubricant oil, etc.

How to use:

Spills on water:

If it is possible pump or skim oil spilled as much possible.

When as most of the spilled oil is removed apply DG Oil dispersant undiluted.

For small spills use hand spray. It neccesery to white few minutes untill product reacts and disperse oil. Wash down oil spill with a high pressure unit.

Tank cleaning:

Use diluted with water from 5 to 10%. Wash down with fresh water with a high pressure unit.
